Golf Tournament

Have you had a chance to check out some of the individual holes on Estralla Del Mar golf course in Mazatlan? As of today, we have 5 people who have signed up, but we still have room for many more golfers. The cost is just \$105.00 per person, which includes transportation, green fees & golf cart .

Estrella Del Mar Golf Course

Los Cabos

Not sure what to do? Why not try “Lover’s Beach”. This is an extremely inexpensive but fun couple of hours. You can hire a water taxi (right at the pier) and have him take you by the thousands of seals on your way to the world famous Lover’s Beach.

Once known as Playa de Doña Chepa, Lover’s Beach is another must, but to get to this hidden cove you’ll need some kind of floating transportation. Easiest is to hire a water taxi at the marina.

The captain will take you on an informative tour of the diving areas around the arch (El Arco), point out Lover’s Beach, then go around the popular point for a wonderful view of the dramatic area where the Sea of Cortez meets the Pacific Ocean. We suggest you pack a lunch of your choice, some water and plan on spending the better part of the day enjoying Lover’s Beach and the striking wind and water shaped rock formations.

Beautiful “Lover’s Beach”

Your taxi will drop you off and at a prearranged time, will come back and pick you up. Total Cost is about \$15.00 for both of you.

We also have a few spots for a tour of Desire Resort! For \$125 per couple, you will get transportation to and from the cruise ship, an open bar and lunch at one of their many restaurants. This special opportunity to experience Desire in Los Cabos is only open to LifestyleLounge.com members.

Lifestyle Lounge has a complete buyout of the resort for this week and are allowing some of their members to drop in on the group. Not only do you get a chance to tour Desire, but you get to see other LL’ers too!

Wine Packages

For those who enjoy wine, our ship offers 5, 7 & 12 bottle wine packages. Best of all, you will save about 25% off the individual bottle prices. You can get all the details on the wine packages from our website. Just visit the SITE MAP and look for "WINE PACKAGE".

Special "Erotic Quest" Gameshow

The ship always has a very entertaining show called "Quest". They divide the audience into teams and call out items that have to be brought to the host in order for each team to earn points. We are working with them to bring you an even sexier, more erotic show than ever before. Stay tuned as we work our magic to give you another great event on board our ship.

Special Private Show

If you were on our Mediterranean cruise, you got to experience a special private show that one of our guests (Hannah) had us rolling in the aisles and the entertainment staff had us mesmerized with their sexy dance routines. Well, this cruise is no different and we will be bringing you another great show to end this special week on the high seas.

Cruise Pins

Here is a photo of our cruise pin. We wanted something classy and elegant (like our shipmates) that didn't say "Hey, I'm a "Swinger"! So, where it proud and it will help us figure out who is with our group.

You will receive your cruise pins with your tickets

Return Flights (after the cruise)

You will have no problem booking your return flight from LAX or LONG BEACH from 11:00 am upon the return of our ship - but do not book earlier than this.

HAPPY CRUISING!
